Introduction from the Principal

Dear Applicant,

Our Vision: *"Be the best you can"* - this is what we ask of our pupils and our staff.

We are committed to providing the very best educational experience for our young people and invite applicants who share this commitment and want to be a part of our success story. We believe in the power of the curriculum and so intentionally have the following at the core of our practice:

- Teaching powerful knowledge rather than parroting the knowledge of the powerful.
- CPD which is rooted in the best educational research, often with a foundation in cognitive science.

The Academy is on a journey from Good to Great and this has been confirmed by Ofsted in May 2022; *"leaders and governors remain focused on doing the right things to improve the school further. They have developed an ambitious and clear long-term plan that outlines how they will reach their vision"*.

About You

- You can motivate and inspire pupils to build on their current achievements.
- You have excellent interpersonal skills and a commitment to collaborative working.
- You are committed to working in an inner-city school and believe that such schools should provide the best possible environment for academic success and personal development.
- You have an excellent track record of outstanding teaching across Key Stages 3 to 5.
- You are resilient and have a great sense of humour, as you never give up.

About Us

- Reconfirmed as a 'Good' school by Ofsted in May 2022.
- We provide a world class education for boys and girls aged 11-19, in a modern state of the art building that opened in September 2010.
- We provide a welcoming, caring and stimulating environment with excellent teaching facilities.
- We have pupils who strive to maximise their achievement and are fully supported by parents who work with us in partnership.
- We have excellent transport links; 5-minute walk from the bus stop or 7-minute walk from Manor House tube station which serves the Piccadilly Line.
- We have high-quality teaching staff who are fully committed to supporting pupils' academic and personal development.
- We offer excellent opportunities for your own professional development.
- We believe qualifications open doors but are only part of the story. All children deserve a full rounded education.

Thank you for your interest in our Academy. I look forward to receiving your application.

Launched in September 2023, the Trust educates a total of 4,500 students across primary and secondary phases and both comprehensive and selective schools.

The Trust builds on the longstanding collaboration and shared values across the family of schools supported by The Skinners' Company, one of the Great Twelve Livery Companies of the City of London. The Company is a major not-for-profit

organisation with a well-established reputation for philanthropy dating back some 700 years. Education is a core charitable purpose and its schools aspire to provide all their young people with the opportunity to make the most of their talents and fulfil their potential.

Skinners' Academies Trust's mission is to provide it's young people with the opportunity to make the most of their talents and fulfil their potential. To do that they ensure that each school has first-class teaching, management and leadership, and are supported and held to account by high-quality governing bodies.

Skinner's Academies Trust: Professional Development

Skinner's Academies Trust are committed to investing in our people and as such offer a high-quality suite of professional development opportunities for all our teachers. Everyone at the Trust is committed to being a reflective practitioner, open to learning and motivated to keep getting better.

We know that professional development for our people will lead to impact in our schools. The five pillars of our offer are designed to offer opportunities to all our staff, to support our vision for an excellent education in all our schools and to have a clear impact on outcomes for all our pupils.

Chartered College of Teaching membership: Open to all

All teaching staff are given full membership to the Chartered College of Teaching. This gives them access to a range of resources including research papers, articles, lesson videos and the quarterly journal, *Impact*; and opportunities to participate in CCT courses or become a Research Champion.

Research-led networking opportunities: Open to all

The Trust-wide book group meets online each half term to explore an education-based text and discuss the implications on classroom practice. Copies of the book are free to members.

Our Research Enthusiasts group similarly meets each half term. It offers teachers from across the Trust, with a passion for evidence-informed practice, the opportunity to debate a range of research and its implications for classroom practice and student outcomes.

Development for middle leaders: Open to aspiring and existing middle leaders

Our bespoke Middle Leadership Programme is a 10-month course designed and delivered internally

for those at the start of their leadership journey. Throughout the course we explore evidence and good practice around effective leadership, use of data, managing teams and how to implement improvement. All participants are allocated a mentor who supports them throughout the course, and get to visit each Trust school over the course of the year.

Subject-specific collaboration: Open to subject leads and subject based TLR holders

We have established Subject Communities for English, Maths, Science and MFL, enabling improvement at subject level the Trust through collaboration between subject leads and shared good practice. This gives heads of department an exciting chance to experience and learn from a range of practice across all our schools.

SLT Community of Practice: Open to senior leaders

All senior leaders across the Trust are members of our SLT Community of Practice, giving them the opportunity to share good practice in school improvement. Leaders participate in visits to Trust schools, hear from external experts and provide professional and supportive critique to one another.

NEW for 24/25: Purposeful Practice Programme: Open to all

Rooted in the best available evidence, this programme provides an opportunity for teachers at all levels to refine and hone their craft. Focusing on granular, high impact teaching strategies, participants will observe these in action before engaging in analysis and review and then planning to incorporate them into their own practice. This is a unique programme to SAT and an exciting opportunity for all practitioners.
